*"It's a jaw-dropping experience to hear Gesenia sing. She is so authentic to Ronstadt's recordings, you can hardly believe your ears. The instrumentals and background vocals are equally as impressive and our audience was super excited by this show. The band is a sweet bunch of people and delightful to work with. Overall, it was one of my all-time favorite shows and it was a joy to host them."*

*"I hired Ronstadt Revue as part of our 2019 Summer Concerts Series, and the repeated response from the capacity crowd was "fabulous show!" Gesenia not only has the look, tone, and vocal strength of Linda Ronstadt, but she was also wonderful to work with from day one. She and her fellow musicians are dedicated to recreating the Ronstadt experience down to the harmonies and multi-genre set list. I highly recommend them!"*

*"Your show was more than anyone expected. On a scale of 1 to 10 your dedication and obvious devotion to Linda Ronstadt's material was 10 out of 10. You and your band "covered" Linda's actual recordings perfectly, yet displayed your own individuality and interpretation of her music. Your stage performance make your show worthy of Concerts and Corporate Functions anywhere and will please audiences of all ages and compositions."*

*"I've worked with the Ronstadt Revue three times in the first year the act existed. All these shows were first-rate and performed very well. The band is made up of top-tier musicians, and Gesenia does the best 'Linda' I've seen anyone BUT Linda do. With a market flooded with tribute acts, the Ronstadt Revue is unique, motivated to sell tickets and easy to work with."*

## ...and from Linda Ronstadt's own band members as well!

*"Every time they play, I'm catapulted back to 1970 on the stage with Linda. This is a fabulous collection of musicians and Gesenia makes the hair on my arms stand up and tingle when she sings. The Ronstadt Revue is the real deal. There are tribute bands and then there is this. Don't miss it!"*
